

MARY LOU & ARTHUR F. MAHONE FUND

Reaching for Rainbows
PURSUIT OF EXCELLENCE

AWARDS PRESENTATION

Dear Friend,

The Mary Lou & Arthur F. Mahone Fund is proud to announce the return of the Reaching for Rainbows "Pursuit of Excellence" gala. This annual community celebration will be held on Tuesday, June 8th at 6pm in the Carthage College A.F. Siebert Chapel. In addition to awarding college scholarships, we will honor longtime humanitarians Gary Vargas and Alvin Owens with the Living Legend Community Award for their lifetime of leadership and commitment in support of Kenosha area Youth. We will also recognize Darl Drummond along with Jim and Mary Hawkins with the Shebaniah B. Muhammad Signature Award for their dedication and sustained investment toward the success of our mission.

As you know the Covid 19 pandemic disrupted the traditional learning environment and created unprecedented levels of stress and financial burden for many hardworking students and families. It is for this reason that we increased the number of scholarships to reward them for their focus and determination to succeed and pursue their collegiate aspirations despite the tremendous hardship. Your continued investment in the Mahone Fund is critical to the success of our young leaders pursuing a college degree while navigating the challenges of this journey

Proceeds from this gala support our CEO mentoring program, aiding low-to-moderate income youth in their pursuit of higher education, career planning and community service. Our overarching goal continues to focus on academic achievement, college readiness career success, and service to others while reducing the financial barriers impacting access and affordability for our first-generation students.

In order to produce a quality program, maximize seating capacity and to ensure the health and safety of our guest the Reaching for Rainbows event was relocated to Siebert Chapel. Given the current status of Covid 19 and the vaccination outreach, we are working in consultation with Carthage staff to monitor and enforce all requirements for facial coverings, social distancing and hand sanitation stations in accordance with the CDC and Kenosha County Health Department recommendations.

We thank you for your continued investment to help our youth fulfill their dreams and build their legacies. Please join our host Carthage, our family of friends and supporters to celebrate the academic success of our young people while honoring our community humanitarians. The attached registration forms will confirm your ticket order and sponsorship level. If you are unable to attend but would like to make a donation please visit mahonefund.org.
