

October 19, 2023

Dear Colleague,

In partnership with Kenosha Unified School District and Racine Unified School District the Mary Lou & Arthur F. Mahone Fund will be hosting the annual PowerUp College and Resource Fair. The event will take place on Saturday, November 11, 2023 at 8:30 AM at UW-Parkside and will support student success by providing this engagement opportunity for High school juniors and seniors (and their parents/guardians) from KUSD, RUSD, St. Joseph Catholic Academy, Shoreland Lutheran and Christian Life Academy.

Each year families look forward to connecting with college representatives, armed forces, community resources and local employers. The purpose of this fair is to expose Kenosha Unified, Racine Unified and local private school students and their families to learn about career pathways and college readiness opportunities. The fair also provides juniors and seniors with the opportunity to network and discuss their future goals with each respective representative.

As a valued local business and community leader we are asking for your support in providing a sponsorship, donation of goods or services or a cash contribution that helps to fulfill the mission of the PowerUp College and Resource Fair. We hope that we can count on you to support this important mission for our youth.

Your donation or sponsorship will help ensure that local families in the Kenosha and Racine area will have an opportunity for access to educational and career readiness opportunities. We anticipate reaching our previous goal of engaging with over 500 families at the PowerUp College and Resource Fair.

You can find more information about the Mahone Fund and the event on our website at www.mahonefund.org. Please do not hesitate to contact Sabrina Morgan at 262. 564.2362 or morgans2gtc.edu with any additional questions.

Sincerely,

A handwritten signature in black ink that reads "Timothy T. Mahone".
